Letter no C-2-6190/28-29 dated 1/6/29
from the Deputy Commissioner Bangalore
forwarding copy of letter received from the
Sundar District Municipal Council regarding
the refund of excess collections during 1928
amounting to Rs. 40-4-0 and stating that
the Council has suggested that the excess
amount recovered should be adjusted for
the demands of some subsequent year.

Incubation bylaws of the Municipal
are put up. Rule 4 is clear as regards funds.
It is not clear from the objection memo of
the Comptroller, on what authority the
suggestion has been made. As the Council
wants a decision in the matter, the
Comptroller may perhaps be consulted.

No objection. Govt. appear to be satisfied
in the matter at present. The most proper course
to take is to pay the amount, under which it seems
has not been paid. Only thing it should not be
delayed by objection in the case and of the subsequent
year. The Municipal Council may bring the fact,
the refund being due, to the notice of
the District Officer of the Comptroller's Office, consider
how much he can pay, and the matter may then
be considered further.
